

Dear Sponsor,

How are you? My name is Ariel and I am the father of Landon. My wife and I wanted to send some pictures awhile ago. Well, let me apologize for taking so long. It has been pretty crazy around here with Landon and our other 3 kids. It's a full house around here.

First, here are the pictures of Landon and 2 of his siblings. *The baby was sleeping so he didn't make it in to the pictures.*

Second, is the *good news* and the reason why I wanted to wait to write you my "**Thanks**". Landon has finished his treatment both chemo and radiations are done. He didn't have any setbacks throughout his treatment and everything went as well as could have been expected. Landon is officially in

REMISSION!

I thought the good news was worth the wait.

Thank You so much for everything that you do. We greatly appreciate it and are eternally grateful for all the well wishes.

Thanks Again,

Ariel, Beth, Landon and Family
